Completion of the acquisition of ABO Energy's companies in Hungary

PPC S.A. ("PPC") announces the completion of the transaction for the integration of a RES project portfolio in Hungary, following the strategic agreement signed on August 7, 2026 for the acquisition of ABO Energy's subsidiaries in Poland and Hungary, with a total RES project portfolio of over 2 GW.

PPC, through its subsidiary PPC Hungary Holding Kft., acquired in Hungary 12 subsidiaries from German-based ABO Energy GmbH & Co. KGaA, which hold a RES project portfolio with a total capacity of up to 1.1 GW (solar, wind and storage). Out of these projects, 5 solar parks with total capacity of 82MW are already in operation, while the remainder of the portfolio is at various stages of development. Furthermore, the transaction brings into the Group a local project development team with significant expertise and deep knowledge of the Hungarian market.

With the completion of the Hungarian part of the transaction, the acquisition of ABO Energy's subsidiaries in Poland and Hungary, announced on August 7, 2026, has now been fully completed.
